MANITO
ART LEAGUE

RULES FOR ONLINE SYSTEM ENTRIES:

- Entering is case sensitive
- In adding a NEW CUSTOMER<> All rows do not need to be entered in the customer database, but each table **will** create an empty record for future use such as volunteer table, secondary table, artshow table, etc.
- **DO NOT use PERIODS or COMMAS!!**
- State is two letters- Example: **WI**
- **Address** for PO Box is PO Box. Do not separate the PO, no periods. PO Box should be on the first address line. This helps for labels and post office standards.
- IF there is a **PO BOX** address- and other street address – POBox goes in the first address field and street address goes in the second address field. This is helpful for mailing labels for Post office Regulations- POBox first. If not POB, then street address goes in the first address field. No Periods or Commas.
- Yes or No >**DO NOT USE ALL CAPS** > Yes, NOT YES. (This makes things accurate when reporting)
- Phone format = 715-256-9833 **USE DASHES**
- Birthday format = mm-dd-yyyy 09-14-1963 **Use dashes.**
- FOR **BIRTHDATE in Customer Database**=> it is a **MONTH and DAY**. If they gave a year, add it in. Example:(January 3 1963) No dashes, slashes, etc.
- For those that are NO LONGER MEMBERS or PATRONS. Change the Yes to No Under Member or Patron and leave the year so we know the last time they were a member or patron(Mal YR, Patron YR)
- Patrons:
  - No = never given donations, Year = list year we began mailing to them.
  - Yes = They have donated, Year = most recent donation
- **YEAR** = **4 digits**, NOT 2. (2025)
- Volunteer fields are **Years**, to keep track of what year they can help (XXXX) Im sure we will be making changes to this in time. But we need to be consistent. This is a text field so if we want to make changes in the future we can.
- Business vs people. Business full name goes into the LastName Only, First name remains blank and Partner field will have the Full Owner Name(s).
- ART Show- Sold Day = Wed, Thur, Fri, Sat, Sun. in text as shown. Please keep format for reporting purposes.
