Silent Auction Labels - Also see instructions on how to create labels.

Download into Excel

In Microsoft Word:

1. Go to **Mailings**
2. Choose **Start Mail Merge → Labels**
3. Pick your label size (Avery 5160, 5395, 8395, etc.)
4. Choose **Select Recipients → Use an Existing List**
5. Pick your Excel file
6. Insert your fields: matching them to number on left side and other 3 on right side (Use format below

Option A — Two-column layout inside the label

Inside the label cell:

1. Insert a **2-column table**
2. Left column: insert «number»
3. Right column: insert «title», «medium», «artist» stacked
4. Remove table borders
5. Adjust column widths
6. Center the number vertically

This gives you the exact look of your screenshot.
